

Quayside
Living

at Harty's Quay

DESCRIPTION

Harty's Quay is a stunning waterfront apartment complex, adjacent to both Cork City and Douglas, that offers a unique and luxurious living experience. The complex is surrounded by water on three sides, with a mature woodland and bird sanctuary buffering the site from the Rochestown Road. Harty's Quay is situated next to the Cork Harbour Greenway which connects Blackrock Castle to Passage West and Carrigaline to Crosshaven. This connectivity opens up the location to the city centre and also the key employment hub of City Gate in Mahon.

The property is close to excellent local amenities to include cafes, bars, restaurants and Mahon Golf Club together with numerous primary and secondary schools.

This beautiful two bedroom property has been extensively refurbished and comes to the market in pristine condition. The apartment offers spacious living and dining room with glass doors to the adjoining balcony that offer tranquil views of the estuary & landscaped gardens. The courtyard features nearly four acres of south-facing landscaped gardens covering the secure underground car park.
